

*Dorothy Polonium - Serpentine*

*nightmares undone*

*primordial*

*tragedy of dissonance*

*the fading, corroding lie*

*pyrene, pyrene - oh*

*come on*

*\*A\**

*venom come find*

*the dream aligned*

*esoteric so prophetic*

*dance by the pyre*

*necromancer thy will be done*

*chaos magic so romantic*

*reveal yourself to me*

*pyrene, pyrene*

**CHORUS**

*Serpentine, our destiny devoured*

*Sacrificed*

*Screaming, against the tide*

*Cross our hearts and hope to die*

*\*\*C\*\**

*collapsing cycling entity*

*everlasting, eternal duality*

*the resonance is overwhelming*

*pyrene, pyrene*

*Dorothy Polonium - Prayer*

*tantalizing life-defying*

*reminiscing all the past debauchery*

*is it over is it under*

*the sea - an island of the damned*

*through a vortex like a shadow*

*sorcerer with ancient tomes so diligent*

*invitation in disguise*

*incantation to the blackened skies*

*\*\*\*CHORUS\*\*\**

*There is only one god - Death*

*And there is only one prayer - Not today*

*Not not-not today*

*mystifying truth-denying*

*gathering the remnants of a dying breed*

*see them over see them under*

*the good the bad the ugly lot*

*through a wormhole*

*needle's eye*

*passing with a truly fervent smile*

*invitation in disguise*

*incantation to the blackened skies*

*\*\*\*C\*\*\**

*finally here*

*secrets they reveal*

*themselves oblivious*

*Dorothy Polonium - Murder of Crows*

*Watchmaker blind our eyes*

*Sacrificial rites through time*

*Lantern lit so bright*

*Not all those who wander are lost*

*\*pre-chorus\**

*We feel the rain, We kneel to stay*

*We feel the rain - Aching*

*\*\*CHORUS\*\**

*All the water in the sea*

*Not enough to wipe*

*To wipe this clean*

*All the blood of gods we've killed*

*Enough to drown our creed*

*And forever sleep / Into reveries*

*Unchained from the sun*

*Mankind plunging to the dark*

*Do we not feel the breath*

*Of empty space cold as death*

*Dawn ripped apart - our lives*

*Under wit-sharp knives*

*As Light from unknown stars*

*Nurse the ivies (back) alive*

*I, I, I, I*

*The consort*

*of radiance*

*Dorothy Polonium - The Haunting*

*The severed veil of innocence*

*It all comes down*

*To this perfect lie*

*The looking glass*

*So glorious - oh*

*Reflections of*

*A time escaping sight*

*Behind the light*

*\*CHORUS\**

*Dark made conscious*

*Passions true and vile*

*Realized*

*Aeons haunting*

*Phantoms calling out*

*For (your) blood*

*Revealing truth*

*So enticing*

*Manipulating*

*Emerging signs*

*Acknowledgement*

*Of suffering - oh*

*The dark behind*

*Your every move*

*Arriving soon*

*Dorothy Polonium - Slave*

*Careful you smash through life*

*Like a wrecking ball*

*The stage is set*

*The horde will come*

*Drain my soul If you will*

*Death follows me still (To kill)*

*As my instincts - they guide me*

*Through acons of biology*

*\* \* prechorus \* \**

*I bring the sulfur*

*You light the fuse with your despair*

*I have it all*

*Everything you wished for*

*\* \* \* chorus \* \* \**

*Bound up high with silken veil*

*Here comes love down your way*

*Feelings numb they fade away*

*Down below bound in chains*

*There goes faith gone astray*

*Feelings numb they fade away*

*Darling dear make me your slave*

*\* \* \* C \* \* \**

*I bring the sulfur*

*You light the fuse with your despair*

*I have it all Everything you wished for*

*Worship the chaos*

*Bring your tangled psyche and follow*

*I have it all Everything you wished for*

*Dorothy Polonium - Red Mercury*

*in humility was not meant to be my piety  
the monstrosity of vicious authority  
in regal blood I was baptized  
no sympathy for the sovereign in ruin*

*I'll show you the way*

*Down below*

*Through history*

*We fall*

*Fall out of love*

*Breathe the fire*

*My boundless night*

*Break apart and through the sky*

*My pariah - Fate betrayed*

*So dire*

*Below - We*

*Found - Light*

*Shining through the eyes of morning star*

*Humanity's triviality inescapably*

*testify to futility of morality*

*I will not bow to your idols*

*immortality as a remedy obscene*

*Dorothy Polonium - Séance*

*Still I hear your voice*

*In whispers unknown*

*Still I feel your breath*

*The gale of the fall*

*Dreams of fire renew the strain*

*Decaying the shade*

*CHORUS*

*Amnesia*

*valediction my love*

*Deadly devotion Behind the vale*

*Subliminal*

*Ignorance is bliss*

*Disbanding the truth*

*Memories of the end*

*Remember the rain*

*Amnesia valediction my love*

*This time it's real*

*Beyond the grave*

*Umbilical*

*Dorothy Polonium - Ripper*

*Down spiraling alleys*

*To Chapmans abode*

*A gash in the darkness*

*She had not foreknown*

*And stride could not see me go*

*Taking in bits of the dread*

*And bits of her head In tow*

*Watch and stalk them through the final night*

*Silent east end sleeps*

*Blade is slipping to a scarlet gown*

*Someone wakes up to screams*

*Her drunken lips seal*

*A half-hearted goodnight*

*To bring these girl's nightmares instead*

*Demeanor so shallow*

*Should grant a lady of poise*

*a rope in the gallows*

*Watch and stalk them through the final night*

*Silent east end sleeps*

*Blade is slipping to a scarlet gown*

*Someone wakes up to screams*

*Upon a morbid scene*

*Gaze at morbid me*

*Two little tramps left, shivering with fright*

*Seek a doorway in the midst of the night.*

*I shatter her window and then there's but one,*

*Three letters passed on and I'm still on the run*

*Dorothy Polonium - The Wedding*

*Here, take my soul*

*Coil it with the thorns*

*Fear of the unknown*

*Buried deep*

*Under the willow*

*Dreams came true*

*Lost in you*

*Coming to*

*The end*

*My, aren't you shy*

*Indulge me your shrine*

*Open your heart to me*

*To eternity*

*In all of your*

*Terrifying glory*

*\*\*\*CHORUS\*\*\**

*I can't stop the bleeding*

*The sorrow*

*It follows*

*Ravishing and dreadful*

*Darling, so long*

*\*C\**

*I take the black*

*The dowry of esoteric*

*Vistas open wide*

*Chapels run down*

*Ascending the skies*
